5 EXPLANATION

6 This bill makes specified changes relating to the
7 administration and regulation of state credit unions.

8 The bill adds a limited liability company to the list of
9 business entities encompassed within the definition of "credit
10 union service organization" for purposes of Code chapter
11 533. Additionally, the bill modifies the designation of a
12 specified elected officer within the board of directors of
13 a credit union such that one officer shall be a financial
14 officer whose title shall be designated by the board, rather
15 than a "chief" financial officer as the position is currently
16 described. Also, the bill specifies that credit unions shall
17 be authorized to sell remittance checks to, and send and
18 receive remittance transfers for, persons in the credit union's
19 field of membership.

20 The bill alters one of the requirements for approval by
21 the superintendent of credit unions of a credit union merger.
22 References to a meeting to be held on the question of merger
23 are changed to balloting upon the question. The bill deletes a
24 definition of the terms "merger" or "merge" within the context
25 of a credit union merger.

26 Relating to the dissolution of a credit union, the bill
27 deletes a provision which currently preserves remedies
28 available to or against a credit union or its directors,
29 officers, or members for rights or claims existing or liability
30 incurred prior to a voluntary or involuntary dissolution if
31 an action or other proceeding to enforce the right or claim
32 was commenced within two years after the date of filing of
33 a certificate or decree of dissolution. Also with regard to
34 dissolution, the bill adds that the board of directors of a
35 credit union undergoing dissolution shall notify the national

1 credit union administration of its intent to dissolve.

2 The bill further modifies voluntary dissolution provisions
3 to establish creditor notification requirements and procedures
4 concerning the presentation of claims and requirements that
5 must be satisfied prior to issuance of a certificate of
6 dissolution.
